Required Class and Exam for Service Technicians looking to perform DMV Inspections in New York.

Learn the NYS Department of Motor Vehicles' process and requirements to properly inspect vehicles. The class is immediately followed by the certification exam. You will leave with a temporary certificate so you can begin inspecting vehicles contingent of passing grade on the exam. Space is limited - only 30 seats available.

- Each participant must complete the application accessible at: <http://www.dmv.ny.gov/forms/vs120.pdf> and return it by mail to Phyllis Aguilar at GNYADA. Enclose a \$25 check or money order payable to the Commissioner of Motor Vehicles. YOU MUST ALSO RETURN THE GNYADA REGISTRATION FORM.

About the Instructor

Presented by Larry Levine, Technical Analyst with NYS DMV Office of Technical Services and Clean Air. Larry Levine assists in the analysis and evaluation of emissions inspection programs and troubleshoots for the NYVIP II inspection program.

Fee for dues-paying GNYADA members:

Requires a \$25 check or money order payable to the Commissioner of Motor Vehicles.
